

1. For downloading a datasheet of an Advantech product, please go to [www.advantech.com](http://www.advantech.com). Once you are there, click into the search field, in the top right corner:

2. Type in the name of the product that you are searching for (here e.g. DLT-V7210K)

3. Click on the relevant product

4. Then click on the datasheet (PDF) and you can download it.
